

## Portable Scale

**Economic**<sup>®</sup>  
Electronic Scales

*The Value of Weighing*

An ISO 9001 : 2015 Company

### Features :

Advanced Micro Controller Design  
Auto Zero tracking  
Very Low Power Consumption  
Inbuilt Battery Backup  
Overload Indication  
Software Calibration  
High Precision Load Cell

Model No.	Capacity	Accuracy	Platter Size in mm
BPF - 35C	50 kg	5 g	250 x 250
BPF - 35C	100 kg	10 g	300 x 300
BPF - 35C	150 kg	10/20 g	400 x 400
BPF - 35C	300 kg	20/50 g	500 x 500

### Specification :

Power : 220V AC +10V, 50Hz  
Batttery : 6V / 4.5 Ah DC  
Temperature : 10° C to 40° C  
Display : 6 Digit 7 Segment 13 Min  
Power Consumption : 6 Watts

### Options :

Parallel Display / Pole Display  
Piece - Counting Facility / Memory Accumulation  
RS - 232 Interface with Computer / Printer  
Backrail for heavy duty platform scale

### Manufactured by :

**BENSON WEIGHING SYSTEMS**  
Madurai - 625 020.

### Marketed by :

**ECONOMIC SCALES**  
60, East Veli Street,  
Madurai - 625 001.  
Tamil Nadu, India  
Tel : 0452 - 2620 760  
Mobile : +91 94430 30062
